- Lightweight items of scenery may be hung at the discretion of the Production Team

LIGHTING

- The control position for both lighting and sound is located on the house left of the venue halfway back
- It is possible for one person to operate both sound and lighting

Equipment

CONTROL	Zero88 Jester 12/24
DIMMING	12 x 10Amp (5 unused in standard rig)
Max power supply loading	14kW

- Good general cover of warm and cool light is provided. This is split into 2 areas (SL & SR)
- A centre stage spot is provided, focused with a semi-hard edge to provide light for a single performer
- There are 2 Red/Green/Blue LED fixtures at the rear of the stage which can be used to mix most colours
- A soft focused breakup gobo cover is provided from two profiles at the rear of the stage

The standard venue rig cannot be refocused in any way.

- Additional lanterns can be rigged as company specials, but due to rigging, power and weight limitations, any rigged equipment must be approved for use before arrival.
- Cabling for any extra kit must be provided to reach the dimmers or stage boxes (please get in touch to discuss prior to arrival).
- All dimming channels run on 15A round pin connectors
- Blackout is acceptable, 'full' blackout is not possible due to emergency lighting regulations.

General Information

Additional lanterns can be rigged as company specials, but due to rigging and power considerations these must be approved for use before arrival. As well as fixtures, cabling for any extras must be provided to reach the dimmers or stage boxes (please get in touch to discuss prior to arrival).

All electrical equipment brought into the venue must be PAT tested.

If you would like any help sourcing additional fixtures, please contact the technical team at technical@gildedballoon.co.uk

The above information is subject to change - for the most current plans and specifications, to discuss company specials or for any other Lighting related queries please get in touch with the Technical Manager at: technical@gildedballoon.co.uk

SOUND

GILDED BALLOON TEVIOT SPORTSMANS TECHNICAL SPECIFICATIONS 2019

- The control position for both lighting and sound is located on the house left of the venue halfway back
- It is possible for one person to operate both sound and lighting

We provide an audio system of good, undistorted, even coverage across the entire seating area sufficiently powerful to satisfy most productions. If you feel that you have specific requirements regarding the sound system in a venue, please be in touch with our Technical Manager at: technical@gildedballoon.co.uk

Please Note: Prior to your arrival, a professional audio engineer tunes the audio rig in each venue. This system cannot be refocused or amended in any way.

Radio Microphones

- If you would like Gilded Balloon to source radio mics for your show, you can do so in the technical questionnaire on Eventotron, or by getting in touch with the Technical Manager at technical@gildedballoon.co.uk
- In the United Kingdom, there are two legal mix frequencies for Radio Microphones; 38 and 70
- If your radio microphone does not fall into one of these two channels, you will not be allowed to use it
- If your radio microphone is on channel 38, you will be required to provide a copy of your license prior to being able to plug in and use your microphone on our system

If you need to purchase a radio microphone licence for the duration of the festival please contact the Technical Manager at: technical@gildedballoon.co.uk who will be able to help you through the process.

Sound Insulation & Sound Bleed

The space is adjacent to three other venues. As a result we monitor sound levels and may require limitation to the volume of a show if necessary.

Gilded Balloon is surrounded by other venues, which all run programming concurrently to our own. We work with all of the venues in and around Bristo Square to limit the amount of sound bleed.

We encourage any production having issues with sound bleed to get in touch immediately.

GB Operator (SND or LX) Optional Fee (charged at settlement)	Full Show Operation by GB Technical Operator of Sound AND Lighting Turnaround Technician fee plus £5 per crew member per performance + VAT Total to pay at settlement = £20 per performance

SECURITY

- Although Gilded Balloon endeavour to ensure the safety of your venue, please be advised we do not accept responsibility for any items left in the venue. We recommend taking extra precaution when storing your items each day.
- Take all computers, tablets, and desktop projectors with you every day

NOTES

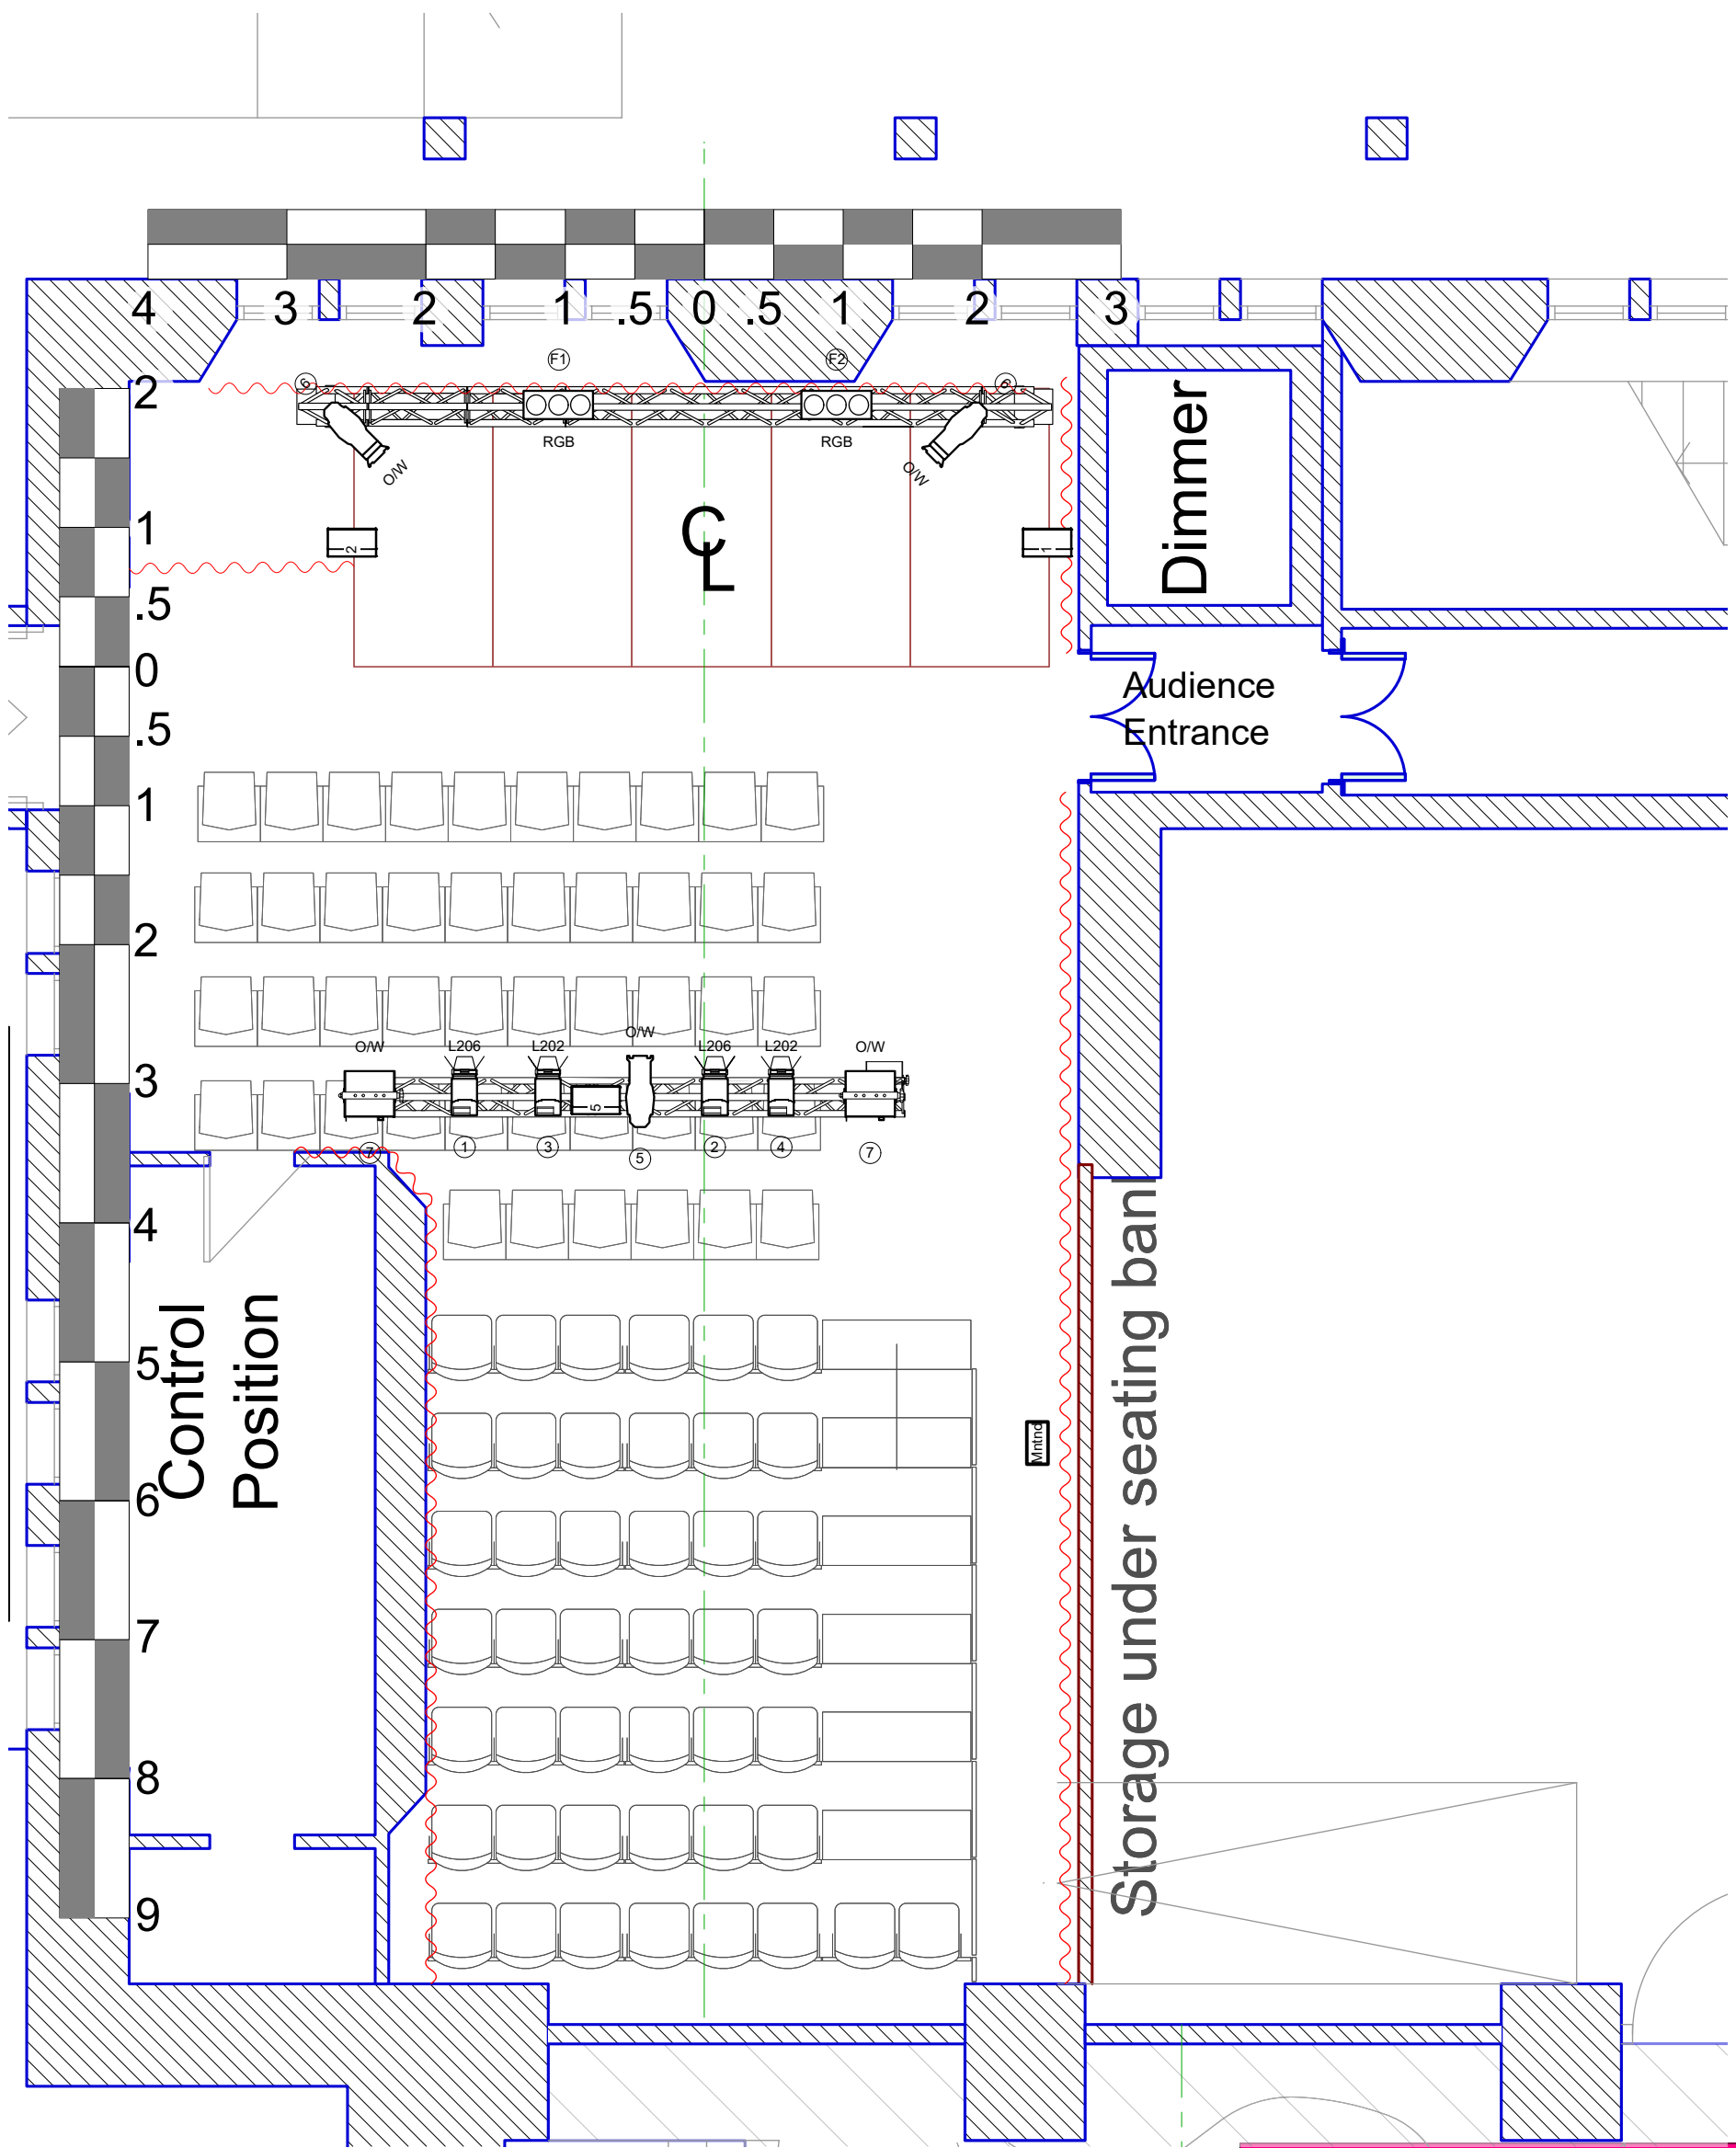

- There are no wardrobe or laundry facilities at Teviot Row House
- Any additional staff or items of equipment, which the management are requested to provide will be charged to the visiting company
- Any electrical equipment you wish to use must have a current PAT certificate dated less than 12 months prior. All electrical items must also be cleared with us before use. We reserve the right to refuse the use of any equipment, which is deemed unsafe
- Each company is assigned a get in/rehearsal time prior to their first performance. This is the time for you to load your set and props into the venue and to re-tech your show. This time is also for the venue technician to learn the requirements of your production

GILDED BALLOON TEVIOT SPORTSMANS TECHNICAL SPECIFICATIONS 2019

- You will need to allow enough time to rehearse your daily turnaround and set storage. Please note that your time slot must include get-in and get-out time
- All use of naked flames, smoke, haze, strobe, laser or pyrotechnic effects must be cleared with management before bringing onsite. Smoking is not permitted in any venues, on or offstage however e-cigarettes or other non-burning stage types are allowed
- At the end of the festival, please arrange for removal or disposal of your set and any unused publicity material. Any company who does not comply will be charged for the cost of disposal. The base charge for disposal is £200.00 but may be increased.
- Please note, since this is a temporary conversion and not a permanent performance space, all measurements and quantities quoted in the above specification are approximate and may be subject to change.

For the most current plans and specifications or to discuss any other queries please get in touch with the production team: production@gildedballoon.co.uk, technical@gildedballoon.co.uk
